*New Menu Items

- Online Activity** - A list of transactions you initiated online.
- CNBudget Central** - A financial management tool.
- Open New Account** - Apply for a new account or loan online.
- Manage Recurring** - Manage recurring transfers you have setup. (In the old menu this was part of Transfer Funds)
- External Transfer Setup** - Setup and link your accounts at other financial institutions in order to make transfers with them online.
- View e-Statement** - View your e-Statements.
- Messages** - Receive and send secure messages from and to CNB.
- Stop Payment** - Submit a stop payment for a check.
- Account Preferences** - Setup the order in which accounts will appear in the menus.
- Alert Options** - Setup and manage alerts for accounts, dates, history, and transactions.
- Security Options** - Setup and manage different security options, like your password and phishing phrase.
- User Profile** - Verify the contact information CNB has for you.
- Mobile Enrollment** - Enroll a mobile device and create a mobile authorization code.
- Statement Delivery** - Choose how you would like your statements delivered.
